

GFOAz 2022 Board of Directors

A nine-member Board of Directors elected by the GFOAz membership governs the Government Finance Officers Association of Arizona.

The responsibilities of the Board include setting association goals and strategies, decision-making, and approving fees and costs. Board duties also include honoring those dedicated to the field of public finance, increasing the visibility of GFOAz through outreach and partnerships, and identifying ways to improve the practice of governmental finance in the State of Arizona.

Please reach out to any member of the Board should you have any questions about the time commitment or duties allocated to GFOAz Board of Directors.
