

New Member Opportunities

All members shall receive email updates on upcoming opportunities for GFOAz members. Should you have any questions on how to take advantage of these opportunities, please contact staff at info@gfoaz.org.

Opportunities for members include events and training, access to online member account on GFOAz website, and scholarships and awards.

Events and Trainings

GFOAz holds annual conferences bringing together members and other public finance specialists to improve technical and managerial skills, exchange information with peers in a relaxed setting, and explore current government finance issues. Annual Conferences offer between 13-15 CPE credits.

GFOAz hosts quarterly training on a variety of topics that are of interest to members, and also partners with other organizations to offer additional professional development opportunities to members throughout the year. Quarterly trainings provide up to 5 CPE credits.

Employment

GFOAz is pleased to post job openings as a service to its members at no charge. Email jobs@gfoaz.org to post a position.

Membership Directory

GFOAz publishes an annual online directory. Membership in GFOAz provides the opportunity to exchange information and ideas with other government finance professionals from around the state of Arizona and with members in the finance and banking industry.

Discussion Board

If you are interested in being a resource for your colleagues by sharing your knowledge, you will just need to sign into the GFOAz website as a member to open the discussion board. The discussion board allows members to pose questions to other members on specific topics or provide advice. Please make sure to sign in and check this on a regular basis.
