

**GOVERNMENT FINANCE OFFICERS ASSOCIATION OF ARIZONA  
SPRING 2024 FINANCIAL DATA ANALYTICS INTERNSHIP  
PROGRAM**

**Mission**

- To attract and cultivate the next generation of municipal finance leaders.

**Goal**

- To encourage college students to view government finance as an exciting and challenging career opportunity and expose students to government finance by providing work experience, mentoring and training opportunities.

**Award Details**

- GFOAz created this internship program to honor Arizona students who aspire to a career in public finance. To be eligible, students must have at least junior standing by the end of 2023 and be enrolled at Arizona State University. Graduate students are also eligible. Additional criteria for eligibility are listed below. Applications are due by end of business December 29, 2023, and GFOAz will notify the student selected by January 8, 2024. The selected GFOAz scholar will have the opportunity to intern at Arizona State University where he or she will be provided with a targeted data analytic experience by working closely with Arizona State University's Center for Urban Innovation, GFOAz and Valley Benchmark Communities to create a resource of governmental financial data for access by participating organizations.

One student will be selected for the Spring 2024 Financial Data Analytics Internship Program. GFOAz will award the student selected with a 10-week paid internship between January and May 2024. GFOAz will provide a \$6,000 grant to Arizona State University to be used towards the salary and administration of the student intern.

- The students also have the option to accept any of the following bonus awards:
  - One-year membership to GFOAz.
  - Complimentary registration & two nights lodging at the 2024 GFOAz Winter Conference in Flagstaff
  - Complimentary registrations to one-day GFOAz trainings in January and May 2024.

## STUDENT INTERNSHIP INFORMATION

### Internship Details

- The internship will span a period of approximately 3 months and, based on the student's availability, may consist of anywhere from 200 to 400 hours of paid work time. Generally, office hours will range between 7 a.m. and 6 p.m. The hourly rate paid to the student may range from \$15.00 to \$20.00 per hour depending on experience.
- Internship recipients are expected to complete the length of the internship and must fulfill duties provided by Arizona State University in a satisfactory manner in order to qualify for the internship.
- Tuition for college credit is not offered at this time, though students may work with their major department on an independent study or internship course to earn credit for this internship experience if deemed warranted.

### Assessment Criteria

- Demonstrated leadership qualities through involvement in school activities or volunteer organizations
- Progressive attainment of knowledge and skills within the finance field
- A strong work ethic and commitment to academic achievement

### Tips For A Strong Application

- Keep your resume focused but include enough details to assess your knowledge and experience.
- Use your cover letter to highlight your key strengths, experiences and why you are interested in governmental finance.
- Ensure that you have all of the required documents in your application package.
